

BUSSELTON WATER

Water Industry Worker – Level 2

Busselton Water is an autonomous water service provider which seeks the services of a Water Industry Worker.

The position would suit applicants with a strong desire to work within an operational section of a water service provider and who can liaise well with customers in relation to faults, complaints and maintenance. The successful applicant would also need to work well in a team environment and participate in after hour's duties and callouts as required.

The position offered is on a permanent/full time basis with a commencing salary of \$49,617 per annum plus overtime and "on call" allowance. Generous superannuation and other incentives will apply in addition.

A position description detailing the duties and responsibilities of the position is available on the website www.busseltonwater.wa.gov.au or by contacting Carleen Stallard, ph 97 810513, carleen.stallard@busseltonwater.wa.gov.au.

To apply for the position, applicants will need to submit an application addressing the Requirements of the Job as outlined within the Position Description, along with a resume and the contact details of at least two work related referees.

For an application to be considered, it will need to be received by close of business on the 18th November 2009. The application is to be marked 'private and confidential Water Industry Worker and addressed to the undersigned.

Further information about the position is available by contacting Carleen Stallard on ph 97 810513.
