Ph: 9781 0506  
Fax: 9754 1075

Topic	Water Challenger	YES	NO	NOT SURE	Info Sheet
<b>Bathrooms / Toilets / Laundry</b>	Do you test for leaks in toilet cisterns?				3
	Do you know how to test for leaks?				8
	Are conservation messages displayed in bathrooms?				3, 10
	Are dual flush toilets installed?				3
	Are water saving taps (aerators) and shower heads (flow restrictors) installed?				9
	Are customers encouraged to report leaking taps / running toilets?				3
	Are their regular checks in place to monitor taps for leaks?				1
	Are bins provided in bathrooms and toilets?				3
<b>Cleaning Practices – Indoors and Outdoors</b>	Do you have a water conservation training induction for cleaners?				5
	Are floors mopped rather than hosing for large areas?				5
	Are parking areas swept rather than washing (unless required for health reasons)?				5
	Do you use garden blowers on paved areas, rather than a hose?				5
	Is your window cleaning schedule on a regular basis?				5
<b>Commercial Kitchen</b>	Do you have a commercial kitchen? (if no, skip these questions)				6
	Do you promote the scraping of dishes rather than rinsing dishes and utensils.				6
	Do you use water efficient spray nozzles in sinks?				6, 9
	Do you use dishwashers only when they are full?				6
	Are dishwashers turned off when not in use?				6
	Do you use running water to thaw foods?				6
	Are fruits and vegetables washed in a filled basin, not under running water?				6

Topic	Water Challenger	YES	NO	NOT SURE	Info Sheet
<b>Cooling Tower</b>	Do you have a cooling tower? (most cooling towers are used to reject heat from air-conditioning systems)				
<b>Pools, Spas and Fountains</b>	Do you have a pool, spa or fountain?				7
	Do you use a pool cover?				7
	Are you able to monitor your pool for leaks?				7
	Are paved areas around pools swept rather than hosed?				5
<b>Staff Awareness</b>	Do you run any on-going water awareness activities for staff eg. Messages in newsletter, water conservation discussed at team meetings, staff asked for ideas on how to save water?				9
<b>Vehicles / Plant</b>	Are vehicles / plant washed using a hose?				5

### General Awareness

How often do you water the gardens?

Are you aware of the two day per week roster?

Are you aware you can only water once either before 9am and after 6pm?

### Water

What water do you use?

Scheme

Bore  Where do you use bore water? \_\_\_\_\_

Recycled / Greywater  Where? \_\_\_\_\_
